

Summer Term 2018 Curriculum Letter Key Stage One

Literacy

Key Stage One will be focusing on grammar and punctuation this term. We will also learn to use co-ordination and subordination in our writing and how to use the present and past tense correctly in all written work. Reception will be focusing on phonics, writing simple captions and sentences. Handwriting will be practised weekly in all groups.

Maths

Year One and Two will be looking at number and place value, mental addition and subtraction. Measure, shape and time, to include graphs, weight and capacity, 2D and 3D shapes. Times tables will be practised daily with the introduction of a weekly times tables test for year Twos. Reception will be learning to count to and across 100, forwards and backwards. They will learn doubling and halving and how to add and subtract. They will learn to measure, weigh and order items by length and weight and how to measure time.

Science

This term we will study plants, seeds and bulbs. We will be observing plants using simple equipment such as magnifying glasses and planning experiments. How do simple seeds and bulbs grow into plants and can we change how they grow? We will study plant's needs- water, light, and heat.

PSHE (Personal, Social and Health Education)

Key Stage One will be looking at relationships and friendship and how to stay healthy.

R.E.

In RE this term we will be learning about sacred places to include synagogues and churches. We will also find out about our own special places.

Computing

We will be using the computers to practise keyboard skills, handle and search for information.

P.E.

Wellie walks will take place on Monday with Mrs Hancock and on Wednesday afternoon Grassroots will teach gymnastics and outdoor games, developing the skills of good coordination, agility and balance.

Art/D. T.

This term we will be studying flowers and paintings, learning about famous artists such as Van Gogh and Monet, and painting our own flower pictures. In D.T., we will learn where food comes from and how to make healthy snacks.

Geography

We will be studying the Rainforests of the World.

History

This term we will be finding out about the Aztecs.
